

BCCIE International Education Award categories

1. International Education Distinguished Leadership Award

This award recognizes the unique and important accomplishments and contributions of an international educator or member of the community who has effected change and leadership in the field of international education in a senior leadership position or in service, who has 'led from behind' and whose work will have a lasting impact.

2. Excellence in International Education Marketing Award

This award recognizes excellence and success in support of the education export sector in British Columbia and in the marketing of our world-class education system. Note: For this award, individuals, teams, programs or ideas can be nominated.

3. Rising Star in International Education Award

This award recognizes tomorrow's leaders, our up-and-coming talent, and the next generation of leaders and practitioners in the field of international education.

4. Outstanding Program in International Education Award

Awarded to an institution, district or program to recognize high quality and highly creative programming in international education.

5. International Education Lifetime Achievement Award*

This award recognizes the long-term contributions made and the far-reaching impacts realized over a career of commitment to BC's international education sector.

6. Friend of BCCIE Award*

This award recognizes the long-term dedication, work and commitment of an individual or individuals who have made significant contributions in support of International Education in British Columbia, and in so doing, made the goals of BCCIE so much more attainable.

7. International Education Distinguished Service Award*

This award recognizes the unique and important accomplishments and contributions of an international educator or member of the community who has supported change and the smooth running of the International Education machinery often "leading from behind" and whose work will have a lasting impact.

*These awards are given on an occasional basis
