

Location	S.No	Name of Institution	Preliminary opportunity / areas of Interest (but not limited to these areas alone)		Remarks	Website and contact details
			Program(s) / Academic Collaboration(s)	Research & Innovation Partnerships		
CHENNAI	1	S.R.M Institute of Science and Technology	Engineering, Film Technology, Visual Communications, Horticulture and Agriculture	Biotechnology, Nanotechnology, IT.	Very good institute. Have many partnerships worldwide but almost none in Canada. Open to have a dialogue with Canadian Institutes. Ideal match for BC Universities looking for such partnerships down south of India.	Mr. Kartar Singh (Director, Intl Relations), Email: director.ir@srmuniv.ac.in Website: www.srmuniv.ac.in
	2	Anna University	Engineering programs	Climate change and adaptation research, Nanotechnology, Automobile technology.	Public University. Reputed but could be a bit slow in discussions. Good fit for B C Universities as well as Community / Private colleges.	Dr. N. Rajendran (Director, Center for Intl Affairs), Email: dircia2011@gmail.com Website: www.annauniv.edu
	3	Loyola College	Digital animation, BBA and MBA programs	Clean Technology, waste to energy, water treatment.	A very well-known community college in Chennai. Could be a very good match for B C based community colleges.	Mr. Daniel Augustus (Director, Intl Collaborations), Email: danielaugustus1@gmail.com Website: www.loyolacollege.edu
	4	Hindustan Chennai Institute of Technology and Science (Also known as Chennai University)	Aviation, and Aeronautical Engineering programs	Biotechnology, Clean Technology, Simulation and Engineering Design, Futuristic defence technologies	Very good institute. Keen to forge international collaborations in meaningful areas related to science and technology. They could be an ideal match for BCIT and similar institutes of British Columbia.	Dr.G Ilavazhagan (Director Research), Email: ilavazhagan@hindustanuniv.ac.in Website: www.hindustanuniv.ac.in
BANGALORE	5	M. S. Ramaiah University of Applied Sciences		Industrial research and problem solving, Technology and business Incubation, research in composite materials for building aircrafts, Food processing and bio technology, Product designing, Healthcare technologies.	One of the best University in Bangalore for applied sciences. Very keen to collaborate in the research / innovation space.	Mr. Gautam UG (Dy Director - PRP), Email: dd.prp@msruas.ac.in Website: www.msruas.ac.in
	6	Jain University	None as of now	None as of now	Private University. Not much interest shown.	
	7	Christ University	Economics and Commerce programs	Not specified anything in the meeting but they do have a lot of ongoing research and innovation programs.	One of the best private (deemed to be) University in Bangalore. Extremely reputed but also very selective with whom they want to partner with.	Dr. J.W. Lobo (Director, Intl Office) Email: lobo.jw@christuniversity.in Website: www.christuniversity.in
