## UG Highlights

### Public State University

- Higher Education
- High School System

### Academic programs:

- Postgraduate and bachelor
  - General High School
- Technological High School (since 2015)

**Professors: 3,645**

**Full time: 1,013**

- 532 National System of Researchers (CONACYT)

**Total UG Students: 40,155**

# UG Campus, Divisions and High School System

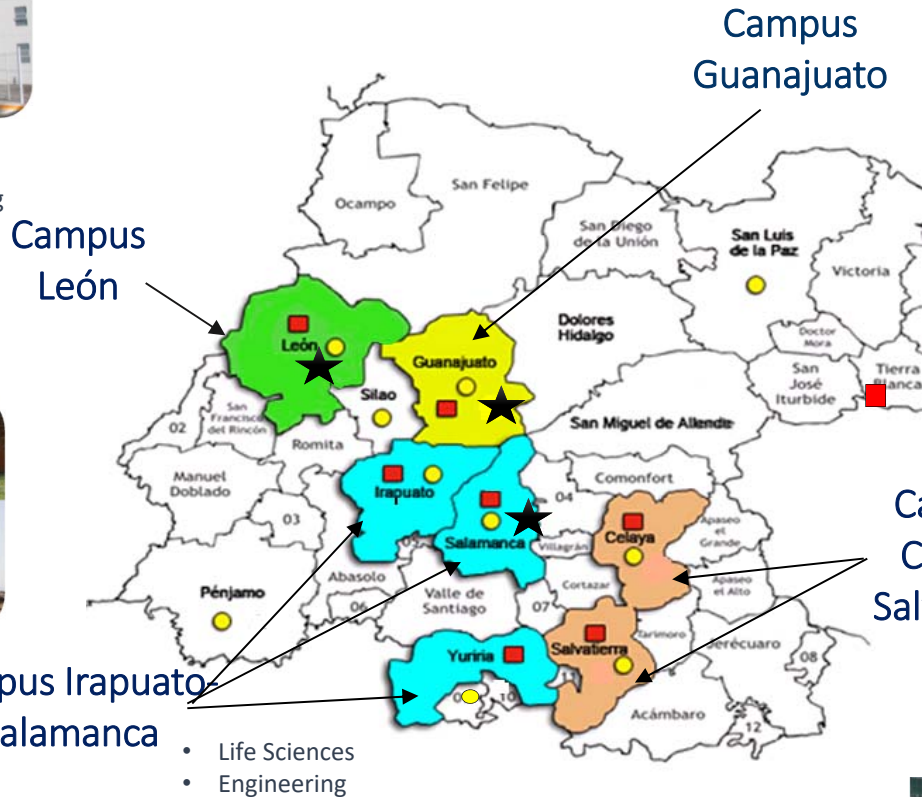

- Sciences and Engineering
- Health Sciences
- Social Sciences and Humanities

 Higher Education

 High School

- General Program
- ★ Technological and International Profile (BTPI)

Campus Guanajuato

- Social Sciences and Humanities
- Natural and Exact Sciences
- Architecture, Art & Design
- Engineering
- Economy and Administration
- Law, Politics & Government

Campus Celaya-Salvatierra

- Health & Engineering
- Social Sciences & Administration

Campus Irapuato-Salamanca

- Life Sciences
- Engineering

## UG Highlights

Research is conducted in 116 Academic Groups creating an ideal environment for knowledge production, management and technology transfer.

Number of UG Faculty Scholars working in the specific research areas and topics :

- 12 anthropology faculty scholars
- 23 arts faculty scholars
- 16 astronomy and astrophysics
- 14 agronomy & veterinary sciences
- 13 health sciences
- 91 technology sciences
- 9 earth sciences
- 36 life sciences
- 22 economic sciences
- 14 political sciences
- 21 demography and sociology
- 60 physics
- 50 chemistry
- 10 mathematics
- 15 human pathology and medicine
- 16 psychology
- Other topics are: philosophy, linguistics, history and geography

# UG Research Strengths

UNIVERSIDAD DE  
GUANAJUATO

331 laboratories in the 4 campuses in the State.

UNIVERSIDAD DE  
GUANAJUATO

# RESEARCH AND INNOVATION

Guanajuato Tecno Park

National Laboratory for  
Characterization of Physical  
Chemistry Properties and Molecular  
Structure

TIGRE: Guanajuato International  
Robotic Spectroscopic Telescope

Summer Research

# POSTGRADUATE PROGRAMS

- **91 Graduate Programs:**

- 47 masters.
- 20 Ph. D.
- 24 Specialities.

\*56 programs recognized by the PNPC (National Quality Program) of CONACYT.

\*8 programs with international recognition:

- Master in Sciences (Astrophysics)
- Master in Chemistry
- Master in Mechanical Engineering.
- Master in Electrical Engineering.
- Master in Physics.
- Doctorate in Chemistry
- Doctorate in Physics
- Interinstitutional Doctorate in Architecture

For more information, please visit: <http://www.posgrados.ugto.mx/> (spanish)

- **420** Academic Collaboration:
  - **109** National
  - **311** International

## Agreements

- Students
  - **862** Outgoing/year
  - **742** Incoming/year
  - **278** International degree seeking students at UG
- Professors
  - Visiting professors : 261
  - UG professors abroad ; 491

## Students & Faculty

- **7** Double degree programs:
  - **2** Undergraduate
  - **5** Postgraduate
  - France, Germany, Japan, Spain, USA

## Double Degrees

## Collaboration with Associations

### Student Mobility

- Alianza del Pacífico
- UDUAL: Unión de Universidades de América Latina y el Caribe
- ISEP: International Student Exchange Program
- CONAHEC: Consortium for North American Higher Education Collaboration
- UMAP: University Mobility in Asia and the Pacific
- PILA: Programa de Intercambio de Latinoamérica
- BRAMEX: Intercambio Estudiantil Brasil-México

### International Education

- EAIE: European Association of International Education
- APAIE: Asia-Pacific Association of International Education
- NAFSA: North American Association of International Education

### Mobility of Professors and Staff

- MAGMA: Movilidad de Académicos y Gestores México-Argentina

## Program of Social Inclusion for Student Mobility

- Student of vulnerable context with socio-economical disadvantages
- Scholarship: Airfare, accomodation and meals
- Workshop of intercultural competences for families and professors

# Projects

- 1 MEXFITEC: Mexico-France Ingenieros Tecnología
- 2 The 100,000 Strong in The Americas (Gateway College / Juniata College)
- 3 Erasmus + Citylabs
- 4 Cátedra México-Reino Unido (AMEXCID)
- 5 Reinventing Japan: Nagaoka University of Technology (NUT) y Tokyo University of Foreign Studies
- 6 Nanzan- Sophia Latin American Program

## International Summer Research Program

- Partner HEI
- In collaboration with Research & Graduate Studies Office
- Research projects lead by UG professors
- 10 weeks – June-August
- Academic & Cultural activities

# International Summer Program

- All fields
- Tuition fee waived for partner institutions
- Partial stipend for room and board
- Cultural activities available
- **June 1st to July 31th, 2020**

UNIVERSIDAD DE  
GUANAJUATO

**International Summer  
Research Program**

**Application Deadline** February 15, 2019

Established in 1994, **UG Summer Research Program** welcomes every year national and international students to participate in different research projects proposed by UG faculty members in a broad range of fields of study.
