### ABOUT BCCIE

The British Columbia Council for International Education (BCCIE), a provincial Crown Corporation incorporated under the Society Act, reports to the Ministry of Advanced Education. BCCIE is committed to profiling British Columbia as the education destination of choice for learners from around the globe and to promoting global citizenry and internationalization at all levels in BC's education system. BCCIE serves the needs of all International Education sectors of British Columbia including: public and independent K-12, public and private post-secondary, and language schools.
