

Things we should be talking about in International Education

STUDENT HOUSING

There's a crack in
everything, that's how
the light gets in. –
Leonard Cohen

Last bullet

Who is your favourite Beatle?

If you run out of gas on a BC highway on a hot summer day, would you rather have:

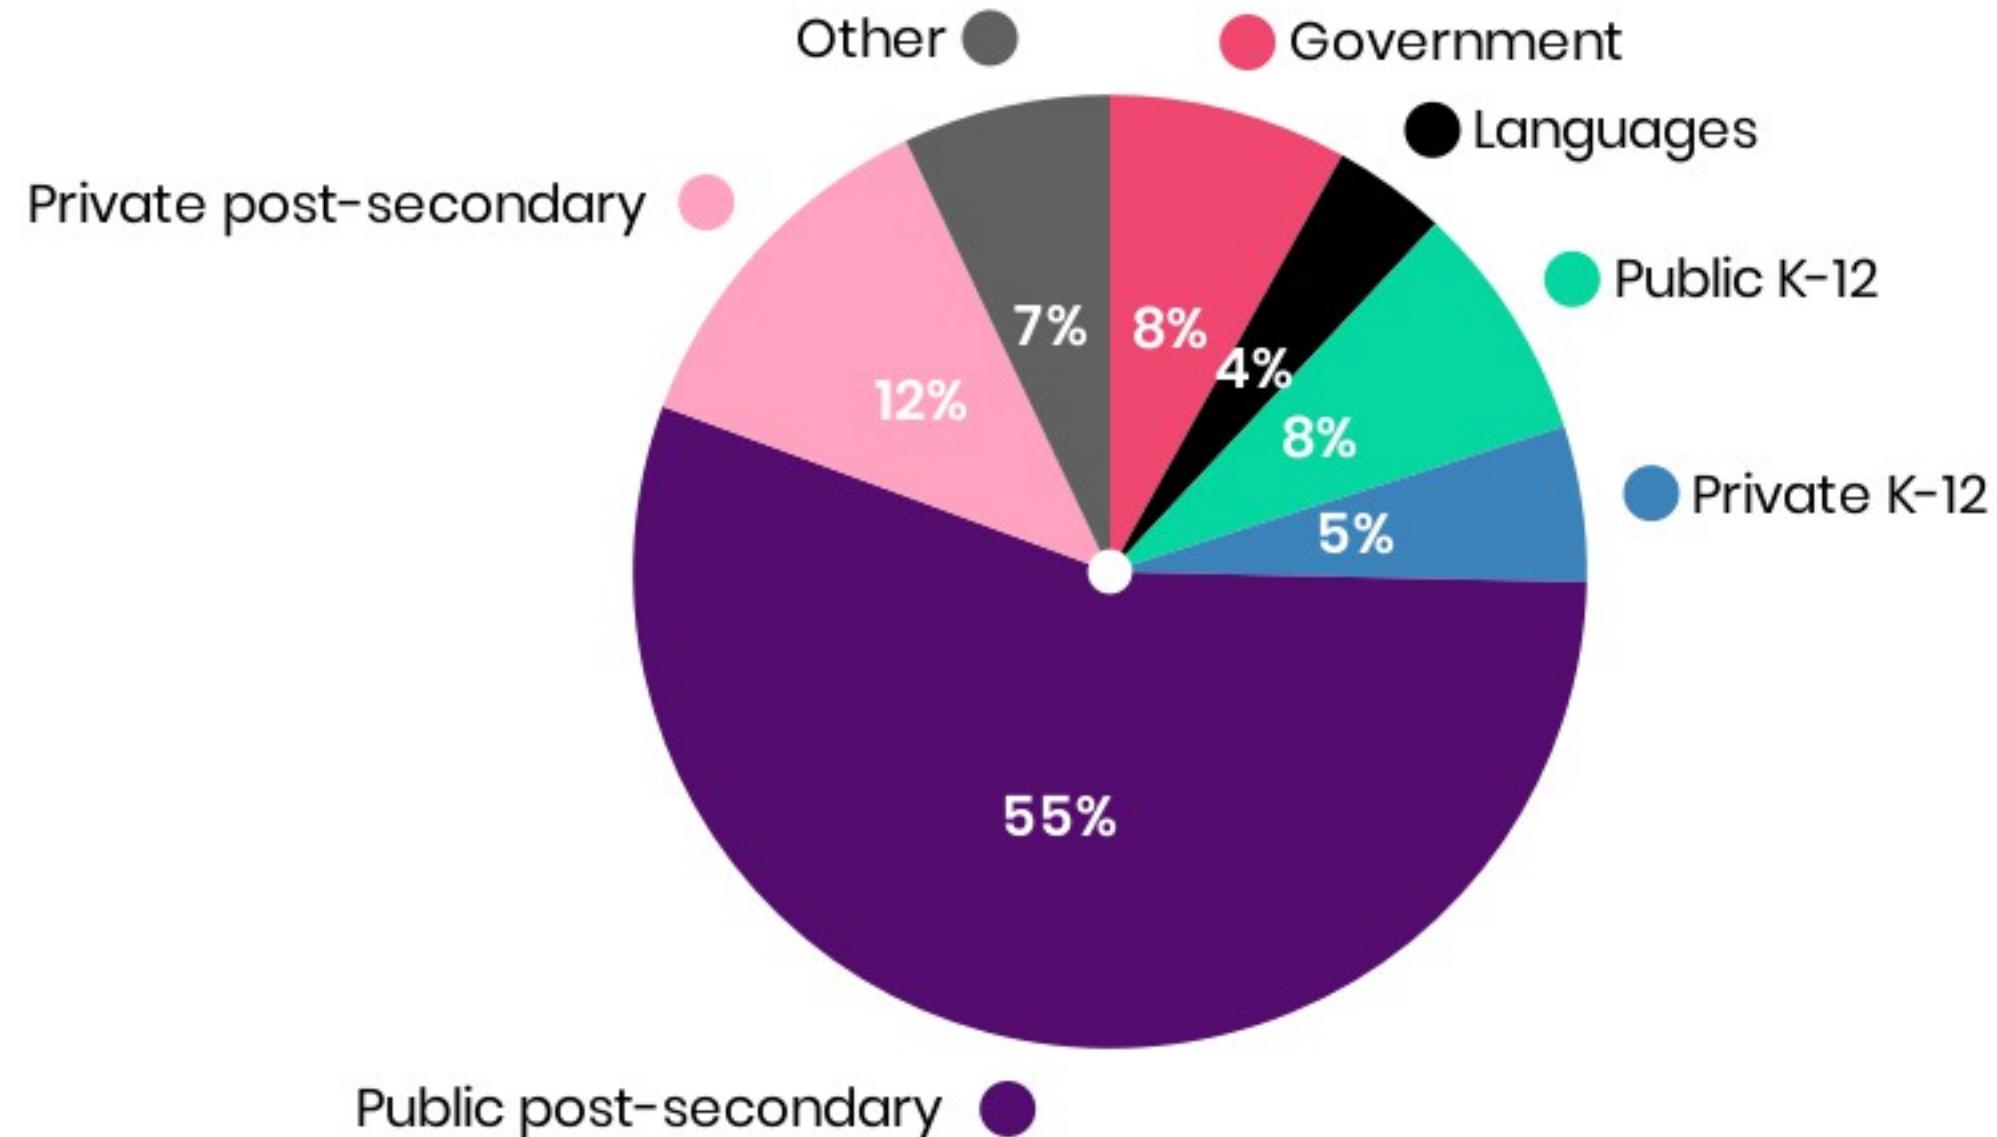

A litre of chilled BC sauvignon blanc wins!

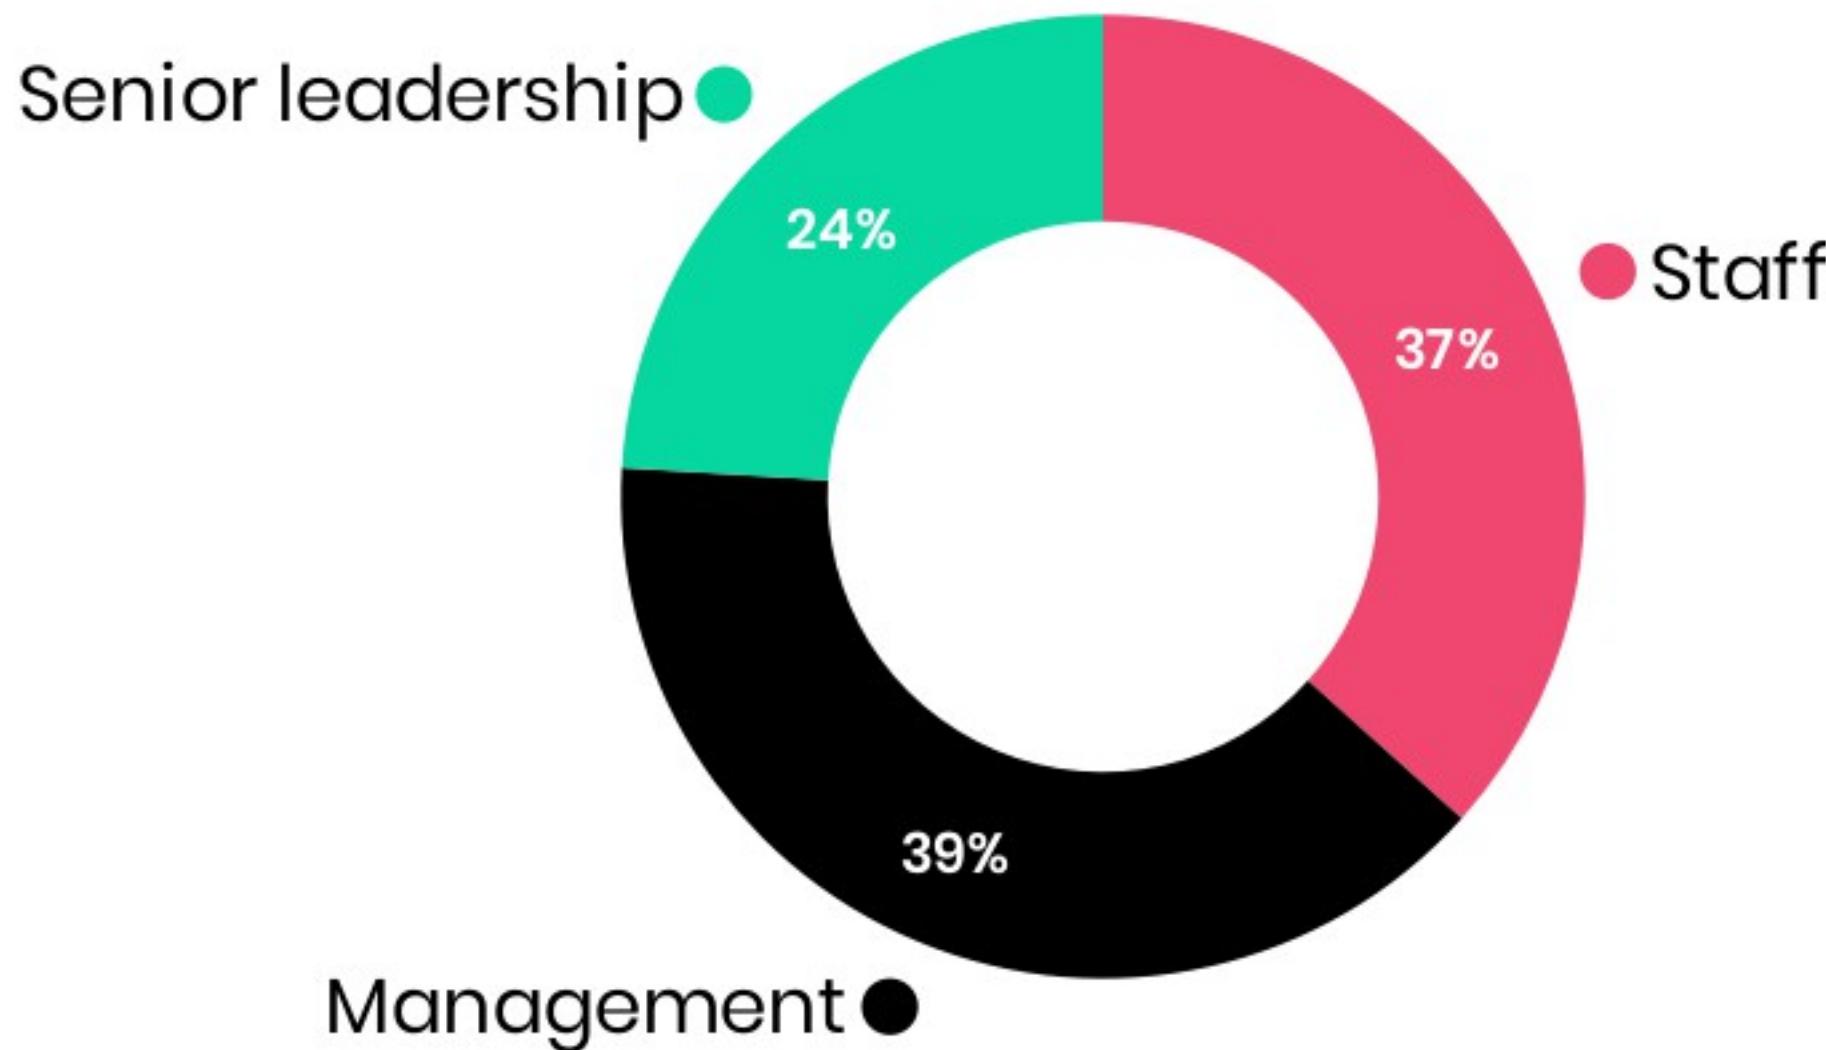

A litre of chilled BC
sauvignon blanc

A litre of refined Alberta
tar sands crude

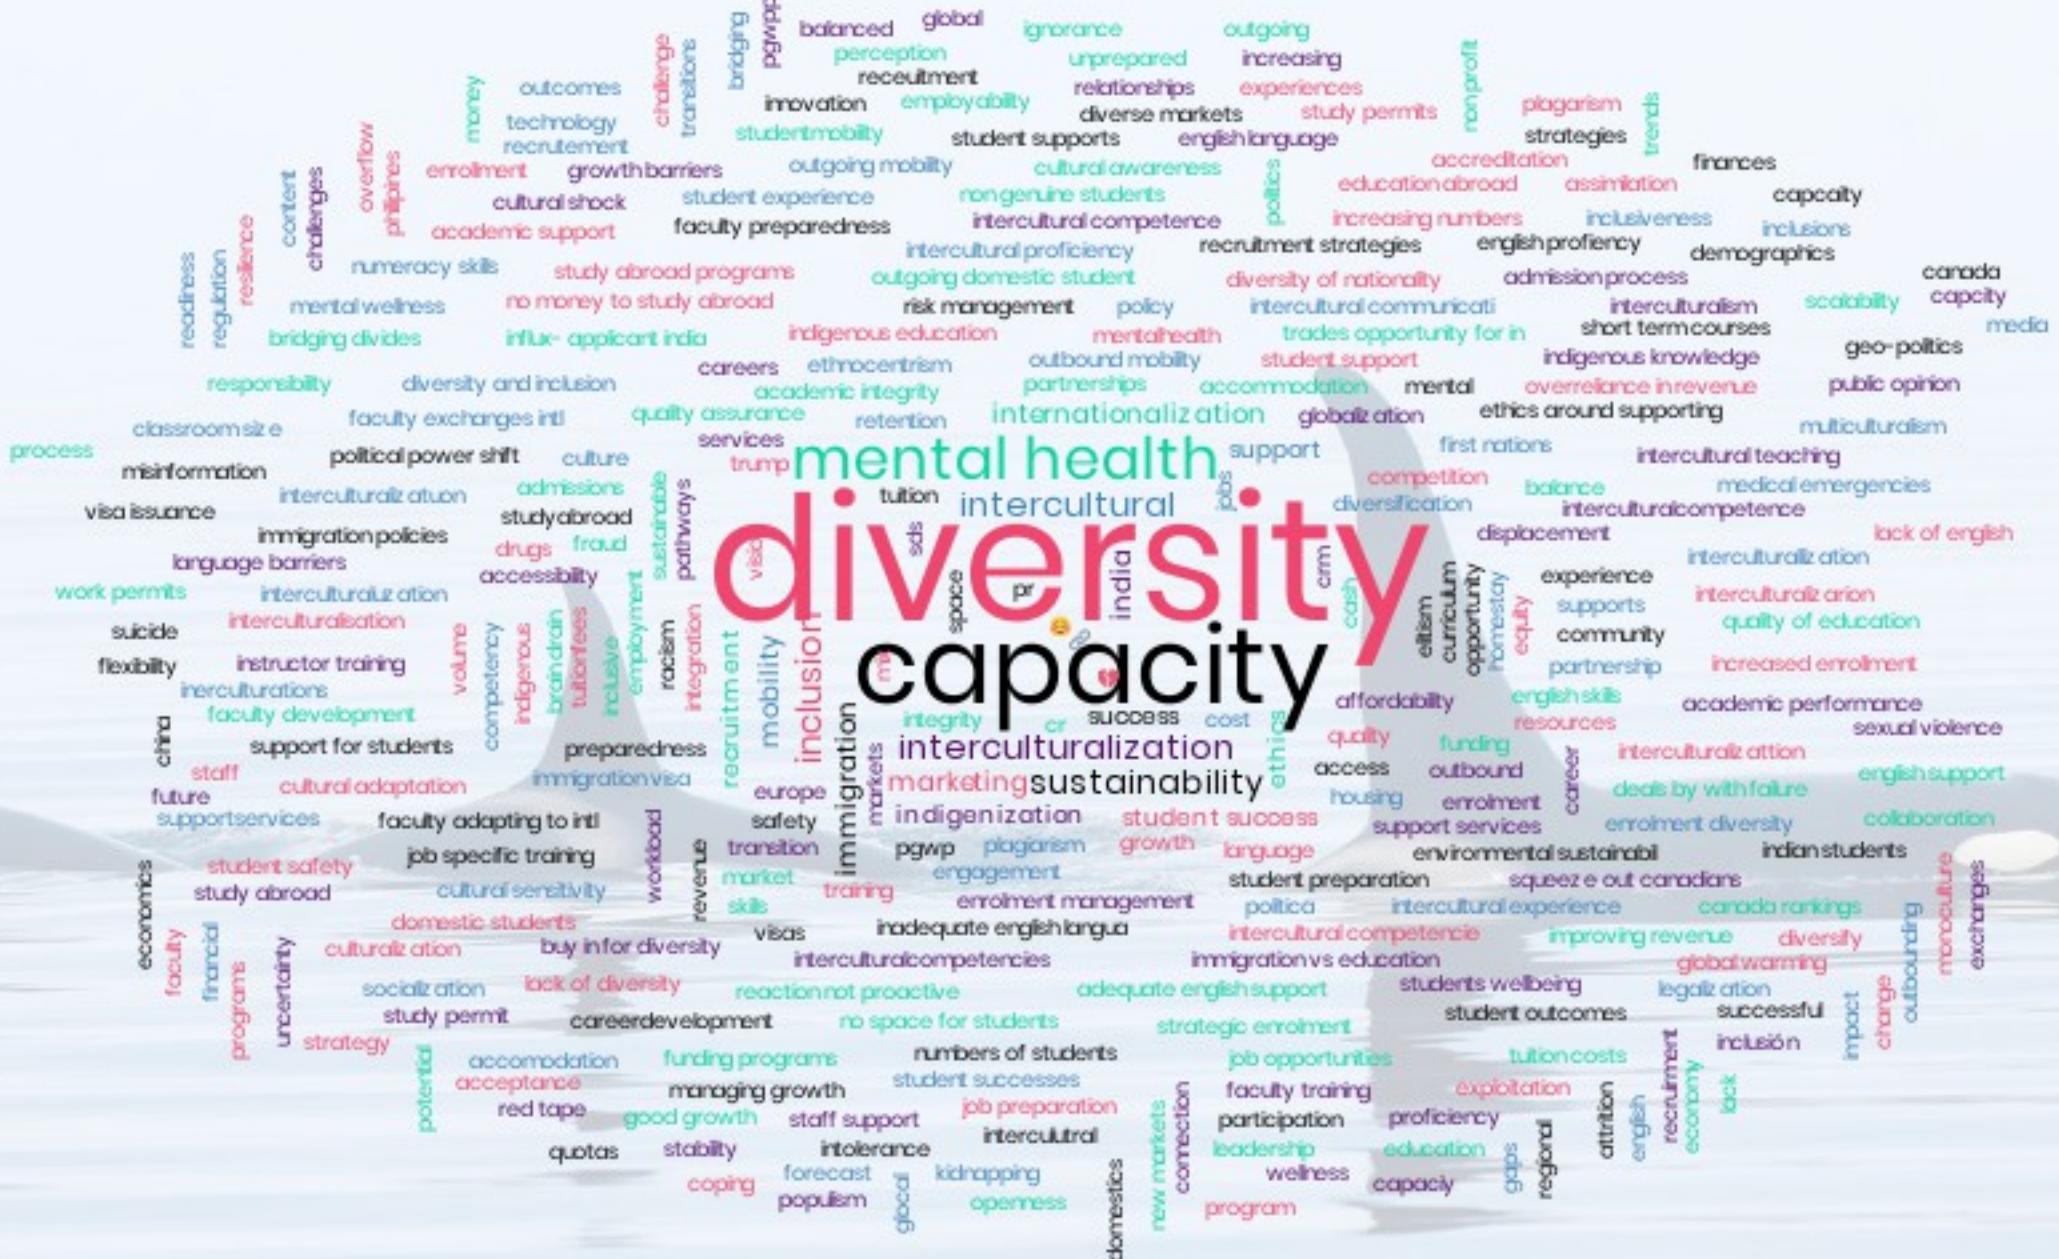

Which sector are you from?

Which level would you describe for yourself?

What are the issues we are currently talking about the most in International Education? (up to 3)

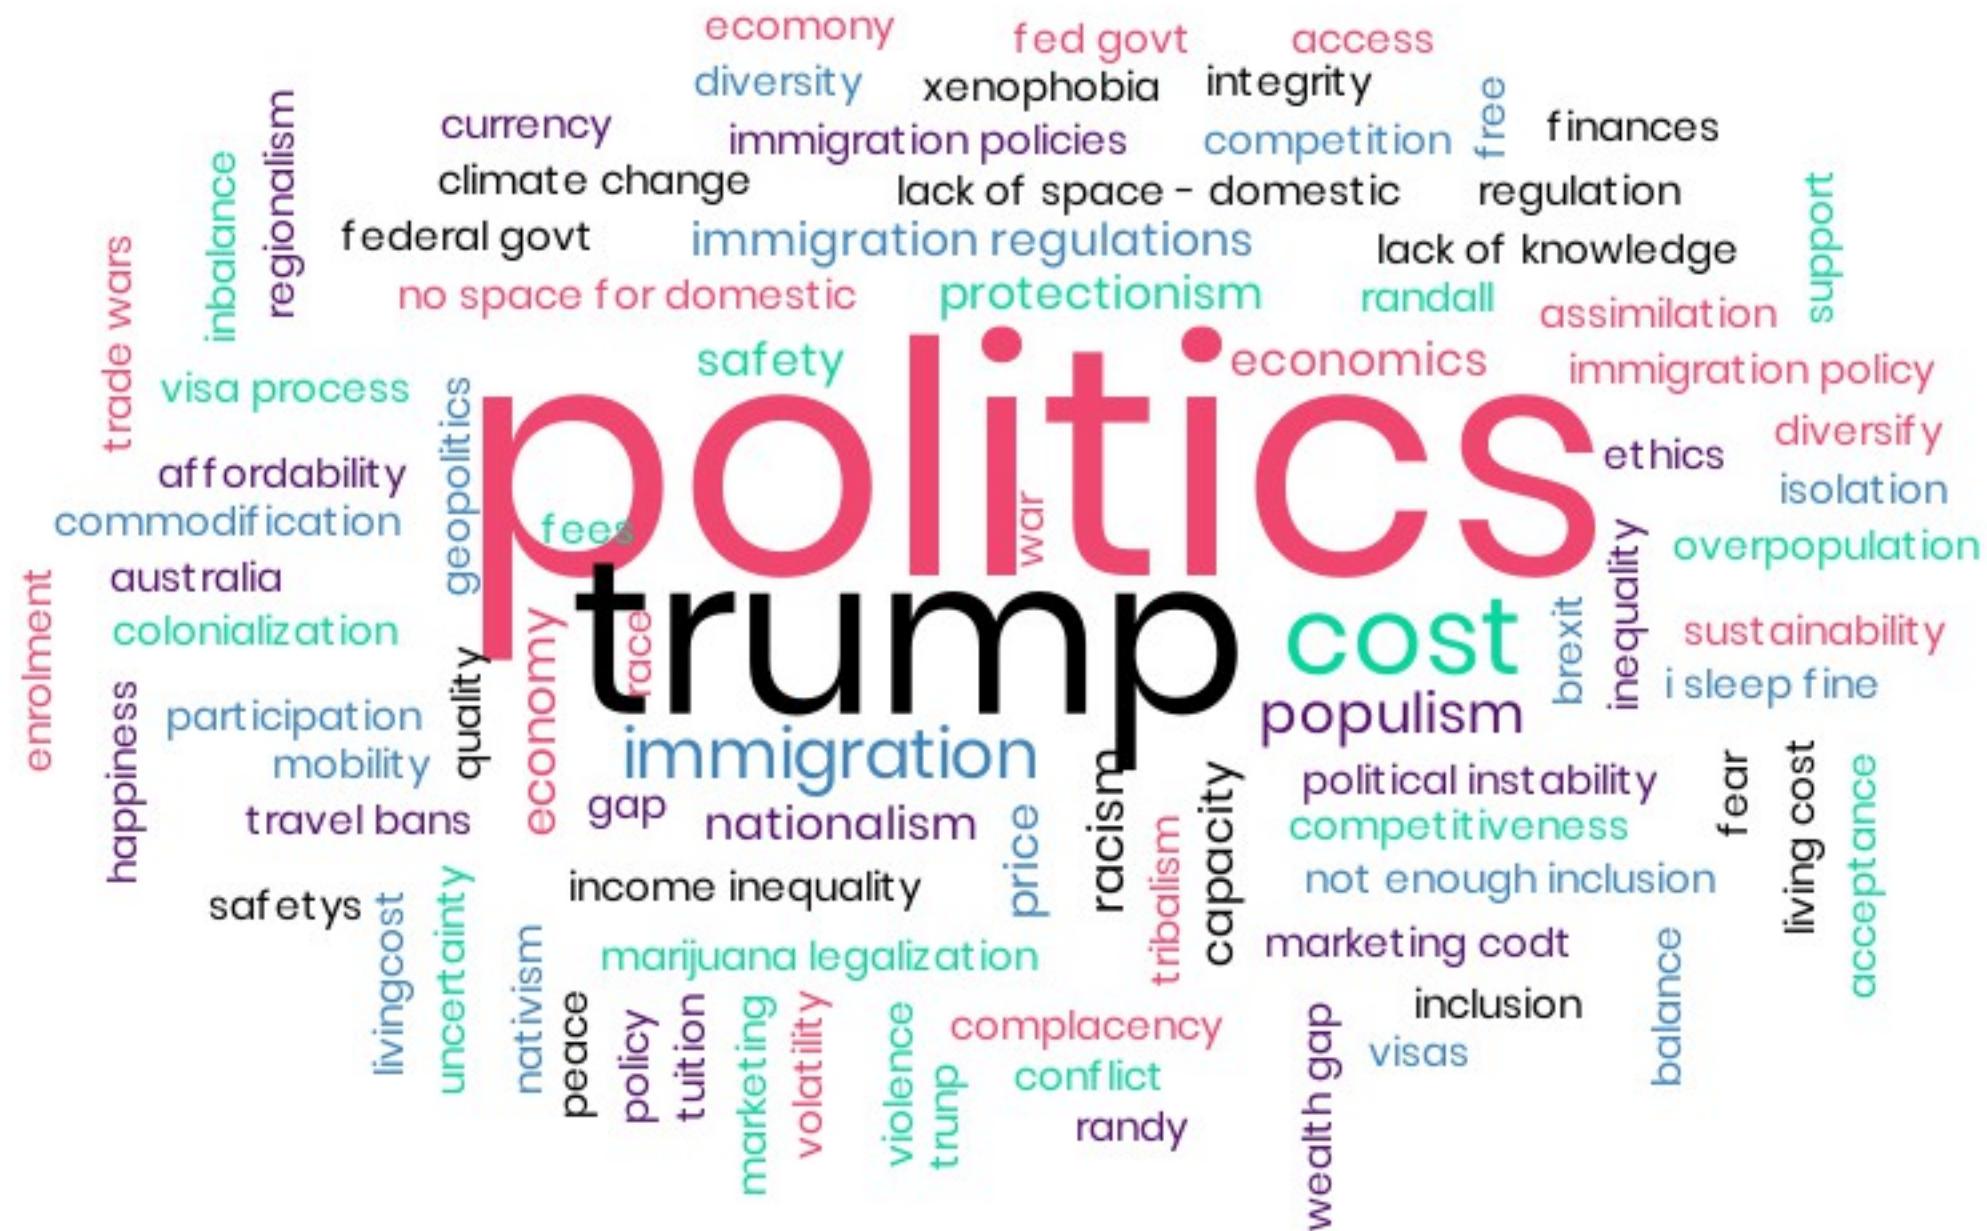

What are the issues we SHOULD be talking about in International Education? (up to 3)

What is the one biggest concern for the International Education sector in BC?

What is the one biggest threat to the International Education sector globally?

What one thing (in International Education) keeps you up at night?
