

2019 - 2022 STRATEGIC PLAN

VISION

BCCIE is a key partner in advancing international education in British Columbia.

MISSION

To position British Columbia as an education destination of choice for global learners and to promote two-way mobility in B.C.'s education system.

CORE SERVICE AREAS

Partnerships and market development Capacity building and leadership

Communications and global engagement

GOALS

Support the two-way flow of students, instructors, and ideas between British Columbia and international partners

STRATEGIES

- Develop strategic international partnerships
- Expand opportunities for B.C. students and educators to participate in study and work abroad experiences
- Improve the recognition and reputation of B.C. as an education destination of choice

OUTCOMES

- B.C. is recognized globally as the destination of choice for education and learner success
- Enhanced awareness of the importance of international experience through study and work abroad

Provide and develop leadership and expertise in international education

- Expand capacity building opportunities in regions across B.C.
- Enhance awareness of indigenization
- · Build intercultural competencies
- Enhanced level of support and services for international education students in B.C. schools and institutions
- Increased awareness of the importance of interculturalization and indigenization in B.C. classrooms

Promote the benefits and opportunities of international education

- · Share best practices and data
- Profile the impact of international education
- Promote the benefits of developing global competencies through international experiences
- Increased access to information on best practices and international education data to support international education practitioners in B.C.
- Enhanced awareness of the positive impact of international education in B.C.
