INTERNATIONAL EDUCATION IS A KEY DRIVER OF BC'S ECONOMY

2019

INTERNATIONAL STUDENTS IN BC IN 2019

The number of international students in BC increased by **9%** between **2018** and **2019**

¹When compared with BC's export of goods in 2017.
²Regions' subtotal does not add up to total (187,625 international students) as total includes "regions unknown." Students may study in more than one region, but the total is unique headcount.
